

THE U MOVE

(Y.A.M.) Young Adult Ministries - Ages 18-35

A team of radical young adults who go out into the community (an outreach and traveling team) and relay a message that testifies of personal victories or relative to moral issues and standards. Knowing and understanding one's destiny through song, dance, rap, skits, drama, boxing and step teams, spoken word, preaching, prophecy and teaching.

We globalize. We endeavor to awaken and inspire more radical individuals all over the world, who will step up to the plate and use their own creative ways to make a positive impact within their sphere of influence, and become "THE MOVEMENT" in their city! Whether it starts in a single neighborhood, a college, a team/group, or a business, this domino effect of selfless commitment will spread like wildfire and be the catalyst for a mighty MOVE of God, recognized on a global scale.
