**Psalms
 139:13-16**

Are you a Christian? (see Romans 10:9). Are you born again? (see John 3:3-8). Do you believe that you were uniquely created? (see Psalm 139:13-16). Do you know your ministry calling? (see Ephesians 4:1 and Revelation 2:19).

I know that it is essential to our peace, joy, and wholeness to find out how our temperament (inner man) should function according to God's perfect will for our lives, before we were born--predestined. When we recognize this, we stop worrying about who others want us to be, and work towards who God wants us to be.

Each one of us were created to communicate differently to others. We are all a creation of God's, we live and move and have our physical being in God, because of the inborn temperament He has blessed us with. It consist of our soul (mind, will, emotions) with it's basic traits, weaknesses, strengths and needs. We all have needs that must be met according to our temperament. (See Creation Therapy brochure).

Only God knew with His infinite wisdom, what temperament was needed for our soul (mind, will, emotions) to function within certain gifts, to do what we are called to do. It enables us to prosper and be in good health, so we would be effective vessels to teach others how to effectively lead others, to the glory of God!

Created in God's Image is a non-counseling course for those desiring to understand human behavior. Creation Therapy is a foundational course offered to those called and have the desire to counsel. The courses helps one to first understand their temperament (soul), and with that knowledge and understanding of all five (5) temperaments Melancholy, Choleric, Phlegmatic, Sanguine, Supine. Creation Therapy goes into more depth, even with the knowledge of temperament blends, and the compulsive area that are found in some people.
